1. GRAPHIC + ANTIREFLECTION PROTECTOR **PLACEMENT**

CONTENT

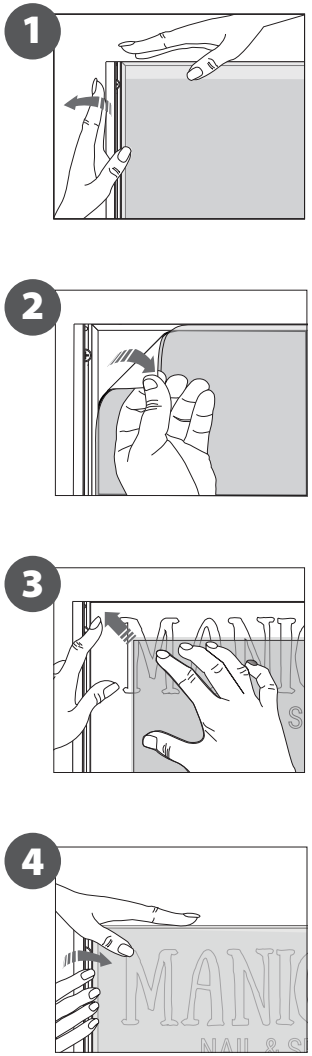

Open and check the content of the boxes and take out all the pieces carefully.

Cañada totem is built from silver anodized easy-to-use click aluminum with a steel base and antireflection protector with 4 acrylic shelves. It features a double-sided large poster holder.

For setting-up LED frame, you must place its graphics (supplied separately) to the click frame following the next steps.
