1. GRAPHIC + ANTIREFLECTION PROTECTOR **PLACEMENT**

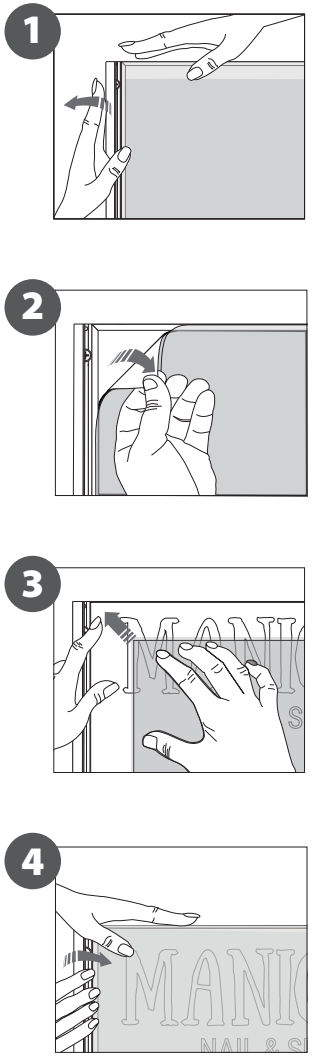

CONTENT

Open and check the content of the boxes and take out all the pieces carefully.

Leinster display is built from sturdy easy-to-use snap aluminum frame.
Mount the pole with the round base first.
For setting-up LED frame, you must place its graphics (supplied separately) to the Click Frame following the next steps. After this, the frame post is fitted to the base post by means of the hooking system.
