1. GRAPHIC + ANTIREFLECTION PROTECTOR **PLACEMENT**

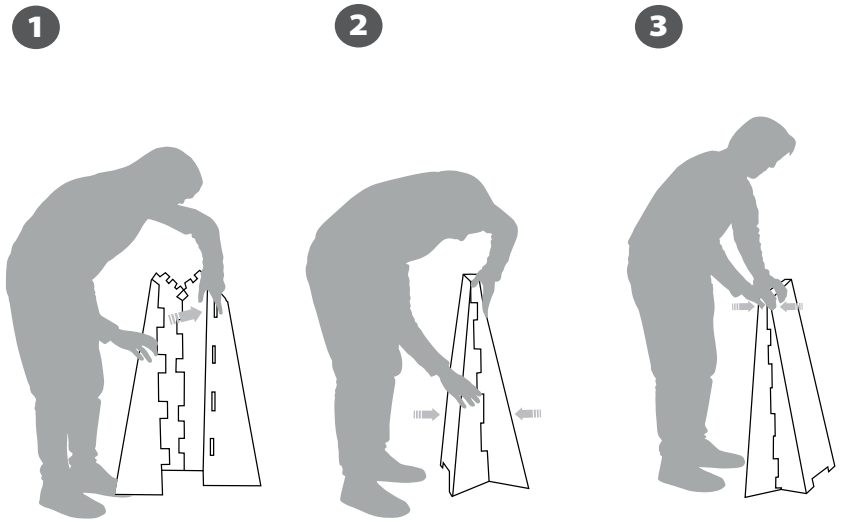

CONTENT

Open and check the content of the boxes and take out all the pieces carefully.

The Neiva support is assembled in seconds, by joining two cardboard plates. You only have to join the two plates of the cardboard through the tabs already indicated on the cardboard.

1. SET UP SIDEWALK BOARD **STRUCTURE**

NEIVA 13.748 *ASSEMBLY INSTRUCTIONS*

2. STAND DETAILS
